

TAILORED SOLUTIONS

Vericclaim Canada provides expert loss adjusting solutions for Canadian businesses – and our superior quality ensures customers receive the best possible service.

About Vericclaim

Vericclaim is a global provider of loss adjusting and claims management services. We specialize in automobile, property and liability claims solutions as well as services for niche markets including energy, rail, marine, trucking, equine, catastrophe and cyber risk. The Vericclaim team brings the strength and expertise necessary to help our customers from coast to coast. We have well-established relationships across the insurer and brokerage community and are equally well-known in risk management circles. Vericclaim is a subsidiary of Sedgwick Claims Management Services, Inc., a leading global provider of technology-enabled risk and benefits solutions.

Delivering quality is our top priority

Vericclaim Canada provides high-quality services designed to meet the specific needs of the Canadian marketplace offering property, liability, auto and specialty claims and adjusting solutions. Our adjusters work closely with the Sedgwick Canada team to coordinate the claims administration process. Vericclaim Canada's dedicated adjusters and operational colleagues ensure our customers receive comprehensive claims and loss adjusting services from start to finish.

Vericclaim's loss adjusting services

We focus on providing businesses with superior claims resolution on the most timely and cost-effective basis in the industry and developing innovative, tailored solutions to meet our customers' needs. Vericclaim prides itself on its global reach, while at the same time maintaining a distinct local market presence in over 400 locations throughout the world. Since 1918, our loss adjusters have measured their success in terms of their customers' results; we are as passionate about their results as they are.
